### Canterbury Policy Holders

#### **Entitlement to Reinsurance Proceeds**

As reported previously, we expect to receive an estimated \$33.9 million from the company's reinsurers in respect of claims made by policy holders for loss arising out of the two main earthquakes in Christchurch, New Zealand on 4 September 2010 and 22 February 2011.

#### **Claims summary**

The following is an update on the claims position along with an estimate of the reinsurance recovery at the time of writing this report.

|                               | \$         |
|-------------------------------|------------|
| Claims – Sept 2010 Earthquake | 13,919,085 |
| Claims – Feb 2011 Earthquake  | 34,408,143 |
| Estimated Total claims        | 48,327,228 |
| Reinsurance recovery estimate | 33,913,777 |
| Reinsurance premiums due      | 1,725,889  |
| Estimated claims shortfall    | 16,139,340 |

We expect there will be a shortfall of funds available for claims and also expect that the quantum of claims may increase as assessment of same is completed.

#### **Conduct of Liquidation**

We have been using the funds received in June from one of the Reinsurers to progress a number of earthquake claims. Loss adjusters are currently progressing some sixty claims with a total estimated value of approximately \$37 million and will continue to work through the remaining claims.

The progress of assessing claims is slower than we hoped due to the lack of available engineers. The demand for their skills in the Canterbury area has meant that they do not have the capacity to assess multiple claims at a time. We are in regular dialogue with them to ensure that any capacity is used to progress our claims.

To advance negotiations with the other reinsurers efficiently, we have instructed the loss adjusters to review the largest earthquake claims first.

During the previous two months we have undertaken the following:

- Submitted a further claim to the panel of reinsurers
- Reviewed claims received in respect of the Canterbury earthquakes and maintained claims estimates and kept the Reinsurers appraised of such amounts
- Preparing claim information in order to obtain further reinsurance proceeds
- Continued recovery efforts to realise the significant unremitted premiums held by brokers
- Continued to operate the claims department
