ARE YOU A FAMILY IN BUSINESS?

At Family Business New Zealand (FBNZ) we aim to support and empower families in business to thrive and prosper through generations

Grant Thornton have partnered with Family Business New Zealand to add another level of support to ensure both your business and your family are working together in a way that benefits all. This relationship with FBNZ means you receive complimentary membership (valued at \$770) until 30 June 2022. Simply fill in the membership form and send it to Family Business New Zealand, and start benefiting from your membership.

"A key benefit of being a member of FBNZ has been meeting other family businesses and receiving the mentoring and support with intergenerational business transfer from one generation to the next."

David Hayes, CEO, Thermosash Group

Connect to the wider family business community, which accounts for 70% of businesses and 50% of the workforce. Support the businesses that support community.

Grow professionally and personally through FBNZ's professional development programs. Challenge your thinking and focus on the family in family business.

Share your experience and learn from others. The most essential and satisfying part of your learning pathway is developing family business peer relationships.
