Conduct of the liquidation in the preceding six months

Sealed Orders and reporting

Following the Judgement of Simon France J on 9 December 2011, we received the Order of the Court dated 14 June 2012 ("Court Order"). The Court Order confirms the reinsurance monies payable to the Company and/or the liquidators are charged to the Canterbury Policy Holders ("CPH").

In addition to our six monthly statutory reports, the Court Order also includes a requirement for the Liquidators to provide bimonthly reports to creditors and policyholders. As the reinsurance funds have been paid in full as of 28 February 2020 to Canterbury Policy Holders, we are only reporting on a 6 monthly basis as required under the Act.

Copies of all reports in respect of this liquidation are available from our website: <u>https://www.grantthornton.co.nz/western-pacific-insurance-limited/</u>.

Statement of Realisation and Distribution

Attached as an appendix is a statement of realisation and distribution showing the receipts and payments for the six-month period ending 31 March 2021, along with a summary of cash movements since our appointment.

Asset Realisations

Claim Assessments

The table above provides a summary of the accepted claims. The figures include claims which were finalised prior to liquidation and loss assessment costs incurred, against which reinsurance monies can be recovered.

| | September 2010 Earthquake | | | | Tota | I both events |
|-------------------------|------------------------------|---------------------------|------------------|---------------------------|------------------|---------------------------|
| Type of claim | No. of claims | Value (\$) (excl. GST) | No. of claims | Value (\$) (excl. GST) | No. of claims | Value (\$) (excl. GST) |
| Accepted/ closed claims | 98 | 23,243,792 | 117 | 41,965,796 | 215 | 65,209,588 |

Distribution

The Liquidators have made four distributions in respect of reinsurance funds. The following provides details of the distributions:

| Distribution date | Earthquake | Sep-10 | Feb-11 |
|-------------------|---------------------------------|---------------------------|---------------------------|
| | | Value (\$) (incl. GST) | Value (\$) (incl. GST) |
| 23.01.17 | Distribution (amount incl. GST) | 9,171,742 | 9,577,786 |
| | Distribution (% of total loss) | 35% | 20% |
| 29.06.17 | Distribution (amount incl. GST) | 8,385,593 | 6,704,450 |
| | Distribution (% of total loss) | 32% | 14% |
| 29.11.17 | Distribution (amount incl. GST) | 1,572,299 | 1,436,668 |
| | Distribution (% of total loss) | 6% | 3% |
| 28.02.20 | Distribution (amount incl. GST) | 207,200 | 640,000 |
| | Distribution (% of total loss) | 0.79% | 1.34% |
| | | 19,336,834 | 18,358,904 |
| | | 73.79% | 38.34% |

The level of pay-out for each earthquake is different because of the different level of re-insurance held by Western Pacific and because of the higher value of claims for the February earthquake.

The reinsurance proceeds have now been distributed in full and there will be no further distributions from reinsurance proceeds.

Creditors

Secured Creditors

As detailed on page 4, the Court Order confirms the reinsurance monies payable to the Company and/or the Liquidators are charged to the CPH.

The following is a summary of the assessed claims in the liquidation in relation to the CPH.

| | Claims value (\$) (excl. GST) | | Claim value (\$) (incl. GST) |
|---------------------------|----------------------------------|-------------|---------------------------------|
| September 2010 earthquake | 22,786,937 | 3,418,041 | 26,204,978 |
| February 2011 earthquake | 41,642,548 | 6,246,382 | 47,888,930 |
| Total claims | \$64,429,485 | \$9,664,423 | \$74,093,908 |

Please note that the estimated claims detailed above differ from the previous page due to the ability to include certain costs some \$780,000 of the loss assessments in the claim to the reinsurers.

Following the final payment of the reinsurance funds there was a shortfall of \$36,398,170 to the CPH which is now classified as unsecured creditors.

Preferential Creditors

Employees' preferential claims of \$45,653 were paid out of money not charged to the CPH in March 2016.

The Inland Revenue Department advised of a preferential claim of \$87,559. This was paid in October 2017.

Unsecured Creditors

The following is a summary of the total unsecured creditors' claims accepted:

| | \$ |
|--|------------|
| Total accepted non-CPH unsecured creditor claims | 7,704,659 |
| CPH Shortfall | 36,398,170 |
| Total Unsecured Creditors | 44,102,829 |

The final distribution of funds held by the Public Trust was made on 31 March 2021. These funds totalled \$500,000 and were held as a deposit as is required by the Insurance Companies' Deposits Act 1953. Distribution of funds was limited to policy holders only and included the extent of the shortfall of CPH reinsurance funds.

Also during the period a distribution to unsecured creditors from the remaining monies held by the Company was made on 31 March 2021 and amounts to a recovery of 0.55%.

Proposals for completing the liquidation

Concluding the Liquidation

We have the final GST returns to file and payment to make to Treasury of \$30,255 in respect of funds that cannot be paid out to companies that have been struck off the NZ Companies Register. Following this, we will complete the liquidation and issue the final report.
